

Tetra® Contour Gen 2

BORDER LIGHTING LIGHTING SYSTEMS

80% Quicker to Install

Tetra® Contour Gen 2 installation is 80% faster compared to the previous generation thanks to the new light engine design. It is also much more uniform in appearance, and still offers seamless illumination and a wide 330° of light output.

Tetra® Contour Gen 2 is available in two application-specific versions: Side Bend and Back Bend, which both use the same light guides and accessories.

Simple neon replacement system

Tetra® Contour Gen 2 is a flexible LED light that can be easily formed to fit a wide variety of designs and applications. Tetra® Contour Gen 2 is available in two models, side-bend and back-bend; and it is the bendable companion product used for creating vibrant border lighting sections. These products comprise a complete LED system that provides the classic appearance of neon and complements the unique design of any building

Range of Colors

With two shades of white and several brilliant LED colors, designers have more flexibility than ever to easily create custom signs.
